

**DEPARTMENT OF THE ARMY UNITED
STATES MILITARY ACADEMY WEST
POINT, NEW YORK 10996**

07 February 2019

Scouts & Scoutmasters,

Congratulations on your Troop's acceptance to the 57th Annual West Point Invitational Scout Camporee! I am delighted to extend this invitation on behalf of the Scoutmasters' Council. We have an exciting weekend in store for you this April.

The mission of our club is to provide opportunities for cadets to serve as role models to scouts across the nation, primarily by sponsoring events that foster positive interaction between scouts and cadets. We demonstrate professional commitment to developing as leaders of character and servants of the nation through these interactions. The Camporee serves as our culminating event with more than 250 cadets volunteering to support the event. The annual West Point Invitational Camporee continues to be the largest annual Scout Camporee in the nation with around 7000 scouts and scout leaders in attendance this year. This could not be the case without your continued interest and support, so I thank you for that.

In an effort to reduce paper consumption this year, we have decided to email the invitation and information packet as a PDF this year. Our administration officer, Cadet Gardner Crary has put together the information necessary for each troop and attendee to register and stay informed.

I would also like to remind you that each cadet in Scoutmasters' Council is a volunteer, many of whom are Eagle Scouts or Gold Award recipients. The cadets on the Council's staff have put in countless hours on top of their strenuous West Point schedules to give back to the program that helped them get where they are today. They are dedicated to ensuring the Camporee is a memorable weekend for everyone. Thank you for joining us, and I look forward to seeing you on the trail!

Yours in Scouting,

Cadet Andrew Valkenburg
Cadet, United States Military Academy
Commander, Scoutmasters' Council

1. INFORMATION PACKET

A. Camporee Rules

The number of participants, which is entered on the registration website (Link: <https://campscui.active.com/orgs/DirectorateofCadetActivities?orglink=camps-registration>) due by midnight on 17 February 2019, is the number of participants you are allowed to bring to the Camporee. Troops coming with more than the amount of participants on the registration form will not be allowed to register.

If the number you're bringing changes after you submit the registration form, email gardner.crary@westpoint.edu to notify us, and we will work on a case by case basis.

During registration on the Friday of the Camporee we require that only the scoutmaster or adult in charge of registration get out of their vehicle and approach the registration tent in order to keep lines to a minimum and help registration proceed quickly.

Absolutely **NO** open flames are permitted at Lake Frederick. All cooking needs to be done with camp stoves.

No cat holes or sump pits. Latrines will be provided.

No locking knives with blades longer than six inches, or butterfly knives.

Profanity is prohibited during the Camporee.

No cutting down trees.

Troops will clear with the cadet in charge of their campsite before leaving on Sunday.

Vehicles are strictly for emergency use. No driving on Lake Frederick grounds from midnight Friday until after the Closing Ceremony and Parade on Sunday.

Please do not touch any military training equipment (spent rounds, barb wire, etc.). Report it to a cadet staff member if it needs to be removed.

Do not play with the wildlife.

All Boy Scout, Girl Scout, Venture Crew, Civil Air Patrol Units must comply with all applicable national policies. This includes, but is not limited to tour permits, camping permits, two deep leadership, patrol method, and uniforms.

The minimum uniform for all scouts throughout the Camporee will be a Class B uniform with scout pants and a scout T-shirt or scout polo shirt. The Class A uniform will be required for reveille and retreat formations, formation on Saturday and all subsequent activities Saturday evening, for the religious services, and the awards ceremony on Sunday. Gym clothes and shoes are the uniform for Saturday morning physical training, be prepared to get them dirty and not be able use them for the rest of the weekend.

We ask scouts **not** to wear elements of a military uniform, such as physical training pants or military style camouflage while at West Point.

B. Troop Awards

The Camporee is not only a time of exciting events and demonstrations, but is also a forum for troops to show off their skills. Points will be awarded in different categories. The overall best troop will be determined for each sub-camp and an overall winner for the entire camporee will be awarded. Winning troops will be recognized at the Awards Ceremony on Sunday. The winner of the award is the troop with the most cumulative points in the events listed below. We recommend training for 2nd and 1st class basic scout skills in order to prepare for the various sites at the camporee.

Competition sites open on Saturday:

Camouflage	Wilderness Survival*	Fitness Challenge
Litter/First Aid	Ranger Challenge*	Weapons
Knot Tying	Swiss Seat/One-Rope Bridge	Knowledge Baseball
Leadership Reaction Course	Kim's Game	TAC Challenge
Drill	Commander's Challenge	
Fire Building	Zodiac Challenge	

C. Site Descriptions (tentative and subject to change)

1. Graded Events (Round-Robin):

- a. **Camouflage** - At this site scouts will learn how to properly apply U.S. Army camouflage. They will be graded on their ability to apply what they have learned to a time standard.
- b. **Litter/First Aid** - At this site scouts will fashion a litter and perform first aid techniques. Scouts will have to apply what they know to an "emergency" situation. They will be graded on proficiency and time.
- c. **Knot Tying** - Scouts will be taught how to tie various knots. They will be graded on their ability to correctly tie the knots in a certain time limit.
- d. **Leadership Reaction Course** - At this site scouts will be given a specific problem to solve using given materials. The scouts will be graded by time with time added to their score for errors (touching minefield).
- e. **Drill** - This site is mandatory for every scout in attendance. The scouts will learn the U.S. Army drill and ceremonies techniques that they will use for the closing review.
- f. **Fire Building** - At this site the scouts will have to build a fire to burn a string that is at a given height. The scouts will be graded on how fast they are able to burn through the string and the materials they use to build their fire.
- g. **Wilderness Survival**: Scouts will be given a designated amount of time to look for materials to build a shelter and then given additional time to create the shelter. Once the shelter is graded on its' usefulness, the scouts will be required to take down the shelter and attempt to make the site look as though it was unoccupied.
- h. **Ranger Challenge** - A combination of physical events scouts must complete (climbing ranger wall, carrying water jugs, etc.). Event requires scouts to work together as a team to best accomplish the challenge.
- i. **Swiss Seat/One-Rope Bridge** - Scouts will be taught how to tie a U.S. Army rappel seat and will be graded on their ability to re-tie the seat in 90 seconds. They will then have the opportunity to cross a one-rope bridge using their seat.

- j. **Kim's Game** - Scouts will be given a certain situation to analyze to identify and remember the variety of items within the situation. After a certain period of time, the scouts will be asked to turn around while certain aspects of the situation previously analyzed are altered. The scouts will attempt to identify any changes that were made to the original site.
- k. **Commander's Challenge** - This event will not be announced until the Camporee. It will be both physically and mentally tough and designed with a military background.
- l. **Zodiac Challenge** - The RB-15, also known as a Zodiac, is a U.S. Army raft. If these are not available due to supply issues, we will use canoes. The Scouts will have to negotiate a course on the lake. The fastest patrol will win this site.
- m. **Fitness Challenge** - Fitness is a critical aspect of military life. The scouts will be graded on the relative fitness of their patrol through participation in physical activities such as push-ups and sit-ups.
- n. **Weapons** - Scouts will be briefed on a variety of U.S. military weapons, their capabilities, and also their uses. Scouts will be graded on how well they retained each weapons' characteristics.
- o. **Knowledge Baseball** - Scouts will play 'baseball' by answering questions about rank requirements, common scout skills, scouting heritage and some basic West Point knowledge. The more questions answered correctly, the more points the scouts can score.
- p. **TAC Challenge** - Scouts will carry dummy rifles and bound through woodland terrain to rescue a hostage at the end of the lane. They will face physical obstacles and be required to react to enemy contact along the lane.

2. Non-Graded Events:

- a. **Static Display:** *The contents of the static display will be United States Military weapons and accessories.*
- b. **Demonstrations** – *There will be a variety of cadet club demonstrations for the scouts throughout the weekend.*

3. Other Graded Events:

- a. **Campsite Inspection:** Each troop will be judged on the neatness of their campsite. Judges will be looking for planning in the layout of the troop's area, safety, and cleanliness. **Lightfighter troops** will be graded with the expectation that every item could have been brought by them over the trail; deductions will be made for items that could not have been brought in a scout's backpack (i.e. folding picnic tables, picnic gazebos, or the RV Camper with cable TV parked in the middle of the patrol's site). If you are not sure whether your troop applied as a lightfighter or as a normal troop, please contact CDT Gardner Crary at gardner.crary@westpoint.edu

3. The following do not count toward troop points but individual awards are given for:

- a. **Scoutmaster's Cook-Off:** Scoutmasters are invited to participate in a chili and dessert cook-off at lunch time on Saturday. There will be more details to follow about this competition.
- b. **Troop Gateway Competition:** Troops are encouraged to prepare a gateway for their campsite, to be judged by camporee staff. The troop must bring all materials and completely remove the gateway before leaving Sunday morning. Troops may not utilize trees, vines, or other vegetation from Camp Lake Frederick grounds.

E. Facilities Provided

Campsites-Campsite size is based on the number of registered participants in each troop. The campsites will be assigned and will not be altered in any way, so do not expect anything larger. Space is a premium and we have a record number of troops coming to the 57th West Point Camporee so please be understanding and patient.

Water- Potable water will be supplied in water trailers spread throughout the camp areas.

Bathrooms/Latrines- No bathrooms are available to scouts, but portable toilets are located throughout the camp area.

Garbage- Dumpsters will be provided, so please help us by throwing trash inside and not next to dumpsters.

Food and shelter are NOT provided. Troops may bring whatever is necessary to cook with, but **NO open pit fires are allowed.**

2. INSTRUCTIONS

A. PAYMENTS

The cost to participate in the Camporee is \$25.00 **per participant (both scouts and adults)**. We require the \$25.00 fee per participant prior to your arrival at the Camporee. This payment is nonrefundable and non-transferable. If you happen to have a scout drop or add to your roster we will not adjust the price accordingly when you in-process. This is to cover the cost of the material that we have already ordered.

The registration for the Camporee this year will be available at:

([linkhttps://campscui.active.com/orgs/DirectorateofCadetActivities?orglink=camps-registration](https://campscui.active.com/orgs/DirectorateofCadetActivities?orglink=camps-registration)).

This is **due at midnight on 17 February 2019**. **This link is only to be used by your troop. Do not forward the link to other troops** that did not get accepted, for they will not be allowed to in-process at the Camporee **and will result in the offender's dismissal from the Camporee**.

B.MEDICAL / LIABILITY FORMS

Medical and Liability forms will be distributed closer to the Camporee date. Please monitor your email account for the forms. No participant will be permitted within the Camporee without these turned in upon arrival.

C. REGISTRATION

- Complete the registration link found at:
- **This must be completed by midnight 17 February 2019**
- If you cannot attend the Camporee:
 - Email gardner.crary@westpoint.edu in order to notify us you are unable to attend.
 - We have troops on a waiting list who would like to attend, so **please promptly notify us via email if you are unable to attend**.
- If you will be leaving early (i.e. Saturday night) please email the above address and approval will be done on a case by case basis.

D. DIRECTIONS (to the Camporee Check-In Site):

General Overview:

Lightfighter – you will be assigned a parking location on site at the Bull Hill trail entrance, you will be shuttled from parking to the trail head.

Mechanized – you will drop off any supplies at Lake Frederick, park in your assigned location, and begin hiking towards the Camporee from the Bull Hill trail head.

Armor – you will be assigned a parking location and will be shuttled into Lake Frederick accordingly after dropping off any supplies

Finalized details will follow with the Camporee Information Packet, which will be released in the spring.

E. TRADING POST INFORMATION

The Trading Post will be open as usual at the Camporee.

No preorders will be accepted this year. We have accounted for this by ordering sufficient supply to have on hand at the Camporee.
